

The jealous friends

Why do I have to sit with the dumbest person in the class

Why can't I sit by alicia. I hate sitting by elizabeth, she always wants everything perfect

Art class is so easy.

Saar is going to fail this class for sure

The only thing saara is good at is fashion.

Elizabeth stop making fun of pretty people.

Elizabeth, you have been jealous of me forever. it is like if i am not perfect i cant do anything.

She is such a rude person who has no fashion

Saara's at least tried her best and learned something. unlike Elizabeth

Alicia's art looks good. I tried my best

I am not even jealous of you

I would never be jealous of someone who can't even do art.

you need to mind her on business. she always is acting like she is the best.

Stop being a mad for little things. you need to chill.

At least i am good at fashion. not like you who has no fashion. look at the close she wears.

Dont pay so much attention to me. Focus on getting your grades up.

i am smarter than you will ever be.
